Home for sale

1082 North Powder River-Middleton, ID 83644

Beautiful well cared for home in the Powder River subdivision! Spacious corner lot with lots of room to park when friends and family are over. Recently painted 2 years ago. Walking through the front door reveals a nice office with French doors. Open Kitchen with Granite counters, Master Suite w/walk-in closet, dual vanity with Bedrooms and Loft upstairs. A large open lot behind home gives a private country feel while still in the city, sitting in the living room you won't see the neighbors! Generous sized fully fenced backyard and covered patio. Welcome Home.
